Residential sprinkler system

Request a visit from fire protection officer:

No

Existing system being added to:

Yes

Request Stage:

Ready to Hire

Desired Completion Date:

Timing is flexible

What kind of location is this?:

Business

Property Owner:

Yes

Comments:

I own a condo at the Hyatt Centric in Park City and I divided a large Laundry Room into two parts: a laundry room with the existing sprinkler head and a locked closet without a sprinkler head. Hence a sprinkler head must be added to the new locked closet. A crawl space and access panel is located in the laundry room and the extension of the fire suppression line is about 4'.
